

Business Forums and Networking Opportunities

version 1 - August 2011

This database lists forums and networking events for businesses and enterprising third sector organisations in the Bradford district. It has been produced as part of a wider project to develop and support business forums in the district. The database has been organised as follows:

Mixed sectors

- lists all business forums / networking events which are open to businesses from any sector

Specific sectors

- lists all business forums which are for specific sectors including creative and digital, construction, manufacturing and engineering, professional, property, retail and restaurant, textile, third sector.

If you have any queries about the Business Forum project or have spotted any inaccuracies in the database then please contact:
