

Investment Opportunities in Bradford: the North's HQ location of choice

If you are looking for an investment or relocation option for you or your clients then your search may be over.

Bradford is one of the UK's largest and fastest growing cities and home to more than 20 plc companies, employing 11,000 people.

Many major businesses are headquartered here, including Morrisons, Yorkshire Building Society, Provident Financial, Kelda and Pace. This makes Bradford the centre of decision making for companies with a combined turnover of £30 billion and employing 300,000 people across the UK.

The district offers access to a highly skilled workforce, a strong range of commercial property opportunities and excellent transport links.

But don't just take our word for it - come to the event on the 23rd November to hear:

Tony Reeves (Chief Executive, City of Bradford Metropolitan District Council) will present the development plans for Bradford and update attendee on the progress made in the city.

Martyn Jones (Group Corporate Services Director Wm Morrison Supermarkets plc) will present his views on why Morrison's operate their HQ so successfully from Bradford.
